Alliance Global Advisors makes the 2023 Inc. 5000 list of the fastest-growing private companies in America.

Naples, FL, August 15, 2023 – Inc. revealed today that Alliance Global Advisors made the 2023 Inc. 5000, annual list of the fastest-growing private companies in America. The prestigious ranking provides a data-driven look at the most successful companies within the economy's most dynamic segment—its independent, entrepreneurial businesses. Facebook, Chobani, Under Armour, Microsoft, Patagonia and many other household name brands gained their first national exposure as honorees on the Inc. 5000.

"We are honored to be recognized as one of the fastest-growing private companies in the United States," stated Jennifer Stevens, Co-Founder & Managing Partner of Alliance Global Advisors. "Our dedicated team's hard work has truly paid off. As consultants, our primary focus is on accelerating the growth plans of our clients. Simultaneously, we remain steadfast and strategic in fostering deliberate growth within our organization, providing ample opportunities for our team. We are delighted to maintain a balance between selectivity and an ambitious growth mindset, allowing us to excel in our endeavors."

The Inc. 5000 class of 2023 represents companies that have driven rapid revenue growth while navigating inflationary pressure, the rising costs of capital and seemingly intractable hiring challenges. Among this year's top 500 companies, the average median three-year revenue growth rate ticked up to an astonishing 2,238 percent. In all, this year's Inc. 5000 companies have added 1,187,266 jobs to the economy over the past three years.

"It's an incredible honor to receive the fastest-growing private company award. Our growth continues to be deliberate. During a time when many companies are cutting back and decreasing positions, we are privileged to be in a position to offer additional incentives and growth trajectory opportunities for our team members and clients," said Heather Fernstrom Border, Co-Founder & Managing Partner of Alliance Global Advisors. "Additionally, our mentors played a vital role in the development of our careers, and we strive to pay it forward through our Alliance Gives Back initiative which focuses on education, professional development and mentorship."

For complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, location and other criteria, go to www.inc.com/inc5000. The top 500 companies are featured in the September issue of Inc. magazine, available on newsstands beginning Tuesday, August 23.

“Running a business has only gotten harder since the end of the pandemic,” says Inc. editor-in-chief Scott Omelianuk. “To make the Inc. 5000—with the fast growth that requires—is truly an accomplishment. Inc. is thrilled to honor the companies that are building our future.”
